

FIELD COURSE- GAME HRGAC– June 2016

Shot on the Practice Range, during the field range setup.

- A 2nd line was added onto the practice range 5 yards forward of the normal shooting line. This is the “5 yard line” noted below.
- Alternate ends between the first and second shooting lines.
- The birdie is located on the right side of the practice range. See the orange flags. Make sure all shooting lanes are clear before taking these shots.

Target butt	stand at:	target	# of arrows
20yd	step up to 5 yard line (15 yard shots)	35 cm	4 arrows
20yd	20 yard shots	35 cm	4 arrows
30yd	step up to 5 yard line (25 yard shot)	35 cm	4 arrows
30yd	30 yard shots	35 cm	4 arrows
40yd	step up 5 yard line (35 yard shots)	50 cm	6 arrows
40yd	40 yard shots	50 cm	5 arrows
50yd	step up to 5 yard line (45 yard shot)	50 cm	5 arrows
50yd	50 yard shots	50 cm	4 arrows
60yd	step up to 5 yard line (55 yard shots)	65 cm	5 arrows
60yd	60 yard shots	65 cm	5 arrows
70yd	Step to 5 yard line (65 yard shots)	65 cm	4 arrows
70yd	70 yard shots	65 cm	2 arrows
10yd	35,30, 25,20 feet	birdie target - 20cm	4 arrows, one at each distance

*Youth & Cub instructions continued.....

*Youth shooters:

- Follow above table, but take 16 additional arrows at 50yds, skip 55 & 60yd target. Score these 16 arrows, 5pts out to the middle of the black, 4pts out to the middle of the white "3" and 3pts on the outer white (ie, this target should be larger than what is posted, 65cm – make scoring rings larger)

*Cubs:

- 4 arrows at 20' on 20cm target

- 16 arrows at 10yds (larger 35cm target on 10yd butt)

- 4 arrows at 15yds (score 5pts out to the middle of the black, 4pts out to the middle of the white "3" and 3pts on the outer white)

- 16 arrows at 20yds (score 12 arrows: 5pts out to the middle of the black, 4pts out to the middle of the white "3" and 3pts on the outer white, increase size of target by 1 ring for last 4 arrows: ie 5pts to outer black ring, 4 pts for outer white rings, use your best estimation for 3pt ring size)

- 4 arrows at 25yds (score: 5pts to outer black ring, 4 pts for outer white rings, use your best estimation for 3pt ring size)

- 8 arrows at 30yds (score: 5pts to outer black ring, 4 pts for outer white rings, use your best estimation for 3pt ring size)
