

Gate Code use for after club hours

You **MUST** e-mail or text Scott Westphal every time before you go shooting at the archery range- (He needs to know in case it is questioned by board or other club members)

- You **Must** be a current club member in good standing
- You must get code from Scott by e-mailing him- he will check his list and verify current membership before giving out code
- Make sure you use the archery lockbox and once you enter please close gate behind you (do not need to lock but put lock on gate) –this procedure will change once we get secondary gate installed.
- You can only shoot on the archery range or field range- club house and all other portions of club are closed
- Contact Scott if you have any questions at scokat@msn.com or text at 612-419-2027
