

Pheasants Forever Triple Challenge

May 19 & 20, 2018

Manitowoc, Wisconsin

Ten Hudson Raider shooters traveled to Manitowoc, Wisconsin and competed in the Pheasants Forever Triple Challenge on May 19-20, 2018 which consisted of 100 trap targets, 50 skeet targets and 100 sporting clays targets. The JV sporting clays squad consisting of Trevor Cochrane (81/100), Brandon Armstrong (80/100) and Caitlin Cravens (76/100) earned second place for their marksmanship. Remarkably, this was Cochrane's first time to shoot sporting clays.

Armstrong also posted a personal best, coming in first in trap in Mens JV breaking 96/100 targets and earned a 25-straight pin from the Manitowoc Gun Club with one perfect round. Jordan Persinger placed second in skeet for Mens Varsity shooting an exceptional 48/50. Cravens earned second place in skeet for the Ladies JV division with 43/50 and Claire Diethert placed 2nd in skeet (34/50) and 3rd in sporting clays (61/100) for the Ladies IA division.
