

REED MEYER QUALIFIES FOR NATIONAL JUNIOR OLYMPIC CHAMPIONSHIPS IN BUNKER TRAP AND TAKES FIRST AT STATE

Reed Meyer of the Hudson Raiders Senior/Varsity Division participated in the Wisconsin Junior Olympic Qualifier in bunker trap over Memorial Day Weekend at the Wisconsin Trap Shooting Association home grounds in Nekoosa, Wisconsin. Bunker trap or international trap is the style of trap that is shot in the Olympics and the clays fly at 68 mph with wider angles versus American trap where the targets fly at 45 mph. Meyer competed with 19 co-ed individuals from around the state. Meyer finished day one hitting 65 out of 75 targets. Day two consisted of two rounds of 25 targets each round with Meyer shooting 20 and 23 and ending up in a tie for first place. Meyer and Tyler Thiede (Sauk County) completed a sudden death shoot off resulting in Meyer taking first place with a final total score of 108. Next up is the Junior Olympic Nationals which is held at the Olympic Training facility at Fort Carson in Colorado Springs, Colorado in June.

On June 2 and 3, 2018, Meyer competed in the 2018 Wisconsin Scholastic Clay Target Program (SCTP) International Trap State Championships. He shot a total of 111 birds to take first place. The Raider bunker trap squad consisting of Meyer, Cody Cicha and Tyler Melloy hit 269 targets to take second place at state.

Meyer (pictured in the middle) earned a gold medal in bunker trap at the recent Wisconsin Junior Olympic Qualifier and qualified for the National Junior Olympic Championships to be held in Colorado Springs in June.

Meyer with some impressive hardware after winning State bunker trap and the team placing 2nd overall.
