Hudson Rod, Gun and Archery Club Member Skill Sheet

Work Skills: The HRG&A club depends heavily on member involvement for day-to-day operation. We all work very hard to maintain a safe facility that offers a wide range of shooting experiences at minimum costs to the members. In order to control costs and develop a total awareness and pride in our organization, we ask that all members volunteer their skills and time to the club. Please check areas in which you have expertise and will be able to assist the club.

I am Willing to help with any projects, please call when you need assistance.
