### News & Club Updates

#### Board Updates

##### Board Meeting

The next board meeting is Wednesday, July 7 at 6:30pm at the clubhouse (main level). Members welcome. Board meetings are held the first Wednesday of the month.

The next Board meeting will be August 4. View meeting minutes on our [News](#) page.

#### New Club Policy

**No one is allowed to be behind the bar except the bartender.** They are responsible for the till, and **only the bartender is allowed to be behind the bar and serving drinks.**

#### Refund Policy Update

Bartenders are not allowed to discount any memberships because of volunteer hours. Members will pay for 2022 membership and upon board approval you will be issued your 2022 membership card that is preloaded with the \$75. This helps us clean up our system. Please remember to use the forms by the office to fill out your volunteer hours. Please turn them into the same area. You can use your current year's membership card to pay for the following year's membership. Thank you for your help with this change.

#### Pullers Needed! June 26-27

Also we are still looking for pullers for June 26-27th. **Even if you have no experience you can come and learn a new skill.** Come and work for a few hours or pull a few rounds before you shoot trap or skeet. **Every little bit of help will make a better weekend while the kids are shooting at a meet.**
