

Thank you

Gary Wade and the Hudson Rod, Gun and Archery Club would like to thank all the volunteers that made this year's Hot Air Affair Fishing Derby a success. We also want to thank Cabela's/ Bass Pro shops and Bruce Wilson for their donated prize items and 5-star Restroom Rentals for donating the porta john. There were 78 kids registered and 3 fish were caught. And although the 3 fish together may not have weighed in at a quarter pound. Fun was had by all. Hot dogs, cookies and cocoa were consumed and over a 100 prizes were given out.

If you helped with this event, please let Gary know what hours you worked (gwmrskeet@gmail.com) so he can record them and know how many people we need to make this event happen.

Please fill out the volunteer hour sheet at the club if you wish to be reimbursed for your membership volunteer hours.

We also want to Thank Buck Malick and JD Hilton for their years of service involved with this event as they retire and pass the torch to the new group of volunteers.

Thank you THANK YOU Thank you
